

Englewood VFW Post 10178

August 2024

Commander's Notes

Our past Commander and our membership have every right to be proud, we were recognized at the National VFW convention for making All American Post for 2023 – 2024. The competition runs across all the VFW posts in our nation. To attain this honor requires a lot of hard work and dedication on the part of all members, especially that of the Commander and Adjutant. Congratulations, Danny and Jay for a job well done!

Membership is an important mission and it is more important today than it has ever been. All fraternal organizations are experiencing membership losses. The VFW is no different, so I am asking for your help to seek out new members. I realize we live in a small community, but, if you know a veteran who qualifies invite him into our post for refreshment or an event we may be having. Remember, when we get together the brotherhood returns as we reminisce about the good and bad we all went through. **"Once a brother always a brother!"**

We are working on getting our post website back in order. That way our members and those new to our community can see what we are doing and come over to support us. For those new to Englewood and the surrounding communities our website address is: **"vfw10178.org"**. Our next post meeting will be held on August 10th at 1100 hours (11am civilian time). All members are invited please have your membership card.
